Junior and Youth Sailing Programs - Skills

The sailing programs are all about fun and participation and are an important sporting opportunity for juniors and youth in the Surfcoast region.

Pictures: Junior and youth sailing programs at Torquay Sailing Club

Junior and Youth Sailing are foster the following skills

- technical sailing skills
- team work and active participation
- tactics and planning
- understanding wind and weather
- boat setup and preparation
- having fun and going on adventures

Sailing provides an alternative water based sporting opportunity for juniors and youth in the Surfcoast region.
